SAINTS MICHAEL, GABRIEL AND RAPHAEL, ARCHANGLES

SEPTEMBER 29: Angels are messengers from God. Three of the special messengers mentioned in the Bible are the archangels Michael, Gabriel, and Raphael. The names of each of these archangels tell us about the work God gave them to do.

Michael’s name means “who is like God.” God gave Michael the responsibility of protecting us as God protects us.

Gabriel’s name means “hero of God.” Gabriel is God’s hero because he communicates God’s message to people. We remember Gabriel best for being the angel who announced to Mary that she would be the mother of God’s only Son.

Raphael’s name means “God has healed.” In the Bible, Raphael heals a blind man and is said to have stirred the water in a pool where Jesus healed a paralyzed man.

On the feast day of the archangels, we remember that God’s messengers guide us in our journey to everlasting life with our Father. We can pray to Michael when we face temptation. We can ask to Gabriel to help us say “yes” to God as Mary did so many years ago. We can pray to Raphael when we are ill or know someone who is in need of healing.

We honor the archangels as saints. They remind us that God is always with us and that God loves so much about us that he gives us special helpers to light and guide us to him.

Pope: "Euthanasia is a crime against human life, incurable does not mean end of care"

On Tuesday, the Congregation for the Doctrine of the Faith announced the publication of a Letter approved by Pope Francis on 25 June and entitled Samaritanus bonus ("The Good Samaritan"): On the Care of Persons in the Critical and Terminal Phases of Life". It bears 14 July as its publication date, in honor of St Camillus de Lellis, the patron saint of the sick, hospitals, nurses and physicians.

"Incurable cannot mean that care has come at an end" – those who are terminally ill have the right to be welcomed, cured, loved. This is affirmed in Part One of Samaritanus bonus. The Letter aims to provide concrete ways to put into practice the parable of the Good Samaritan, who teaches us that "even when a cure is unlikely or impossible", medical care, nursing care, psychological and spiritual care "should never be forsaken".

The Letter requests that locals Churches and Catholic institutions and communities "adopt a clear and unified position to safeguard the right of conscientious objection" in contexts where morally grave practices are allowed by law. It also invites Catholic institutions and healthcare personnel to witness to the values the Church professes regarding life issues.
