

WE PRAY FOR ALL THE SICK PEOPLE OF OUR PARISH...

If you have someone you would like added to the prayer list and/or they would like communion brought to them (in hospital or at home), please call the Parish Office 705 652-3231 OR talk with Fr. Randy.

REVISED COVID-19 PROTOCOLS TAKE EFFECT IMMEDIATELY

Physical distancing of two metres (six feet) remains the requirement for attendance in church and parish facilities, including seating, however, groups of people from the same household may be seated together.

Wearing a face mask remains required. Masks should be fitted properly to the face.

Cleaning procedures for pews, washrooms, confessionals, reconciliation rooms are relaxed so as to require only regular cleaning in accordance with pre-Covid-19 routines.

Missals and prayer books may be replaced in pews.

Hymn books will not be replaced as the earlier restrictions on singing continue.

Bulletins, envelopes and pamphlets, may again be distributed.

Votive light stands may be re-opened, subject to notices requiring appropriate distancing of two metres (six feet).

The preference continues that confessions should be heard outside of the Confessional to allow for proper distancing, cleaning and contact tracing (if it becomes necessary). Where Confessionals are used, both priest and confessor will be required to wear masks. Priests should employ double masking or the use of the N95 mask so as to further lower the risk of contamination.

Collections may again be taken up using baskets in the traditional fashion. All Ushers involved in taking up collection should ensure that they wear masks while undertaking this task and use a collection basket with a long handle to maintain the two metres (six feet) distancing.

Hand Sanitizing – It is no longer necessary for all entering a church to use hand sanitizer, though churches are encouraged to provide hand-sanitizers should people wish to use it. The priests and extraordinary ministers of Holy Communion should continue to use hand-sanitizers.

Altar servers may be utilized again, as long as they maintain the two metres (six feet) distance between each other and the priest. Altar servers and the priest need to wear face masks when distance cannot be maintained. Altar servers from the same household do not need to maintain physical distancing.

Communion procedures are unchanged despite the lessening of restrictions in other areas.

Holy Water fonts at the church doors are not reopened.
