POPE'S PRAYER INTENTION FOR SEPTEMBER An Environmentally Sustainable Lifestyle

We pray that we all will make courageous choices for a simple and environmentally sustainable lifestyle, rejoicing in our young people who are resolutely committed to this.

PARENTING TIP OF THE MONTH September arrives with a flurry of activities, such as planning for school start up and looking to see what activities in which children might participate. This year holds even greater challenges with the unknown status of many of these events due to COVID. There is a great way to control the busy days and calm the fears of the unknown: take time for daily family prayer. It need only be a few minutes, but during this time, come together as a family to thank God for the good things in each of your lives, to mention out loud anything that each family member may need support with and ask for his protection for your family, extended family and all people in the world. Not only will this draw your family closer together, it will be a reminder to your children that God is with them and desires to converse with them!

YEAR OF SAINT JOSEPH

"There are many saints to whom God has given the power to assist us in the necessities of life, but the power given to Saint Joseph is unlimited: It extends to all our needs, and all those who invoke him with confidence are to be heard." Saint Thomas Aquinas
