#### REMEMBRANCE DAY POEM ONE THOUSAND MEN ARE WALKING

One thousand men are walking, Walking side by side  
Singing songs from home, The spirit as their guide  
they walk toward the light milord  
they walk towards the sun  
they smoke and laugh and smile together  
no foes to outrun, these men live on forever  
in the hearts of those they saved  
a nation truly grateful, for the path of peace they paved  
they march as friends and comrades  
but they do not march for war, step closer to salvation  
a tranquil steady corps  
the meadows lit with golden beams  
a beacon for the brave, the emerald grass untrampled  
a reward for what they gave  
they dream of those they left behind  
and know they dream of them  
forever in those poppy fields  
there walks one thousand men  
**Joshua Dyer 2019 (aged 14)**
